With no official end to the sailing season apart from that of reaching the end of the calendar year it may be a good time to reflect on the year's sailing - both Winter and Summer:

Was it a successful season?

Are there things we can improve on?

The Sailing Committee now have to start planning the programme for 1997 and it is with this in mind that the Waterborne Activities Meeting is the ideal time and place to let the Committee know your views and opinions.

May I take this opportunity to thank all the members of the Sailing Committee for all their time and hard work.

Francis Ennis,
Vice Commodore,
Chairman, Sailing Committee
