

# Trailer Storage Directions

To access the trailer storage area, please collect and sign out the keys at the Howth YC Marina Office. In your car, return to the west pier where you'll see Crabby Joe's in front of you. Head down the side of Crabby Joe's along the tracks.

The trailer park is straight in front of you. If the barrier is down, you need to drive through the magnetic yellow box on the ground to raise it. The 2 keys are for the big gate and the pedestrian gate.

***After leaving the area, please make sure both gates are locked behind you and then please return the keys immediately back to the Marina Office in HYC for the next user.***
