Week 2 – Tuesday 16th and Thursday 18th June from 6-8pm

Initially we are restricting numbers to 10 sailors per evening, allowing one booking per person per week. Pre booking is essential to participate on the evening. This will be reviewed if demand increases after Week 1.

BOOKINGS and PAYMENTS

Bookings for Week 1 will be open on **Thursday 4th June** and closed by **12 noon on Monday 8th June**. The cost per evening is €5. At present the office will be open between 9am to 2pm to process payments (01) 8322141. Please email your application form to quest@hyc.ie after which the office will then call you to confirm availability and process payment. All subscriptions and dinghy park tags will need to be up to-date to secure a place on the supervised sailing. Week 2 will be opened on Thursday 11th June for the following week.

Please ensure you have read HYC's COVID19 policy documents before registering.
